OUR MISSION

In the 21st century, far too many people are trapped in the darkness of sex trafficking and homelessness. Without a path towards freedom many of these individuals will die without ever knowing they are loved.

Atlanta Dream Center is on the frontlines every day rescuing these individuals and preventing the most vulnerable in society, our children, from falling victim. When people are rescued out of sex trafficking and homelessness they can begin to walk out God's purpose for their lives and become a beacon of light for others.
